THE UNIVERSITY LEAGUE IS PROUD TO PRESENT
THE KAT TRIO: Violin/Clarinet/Piano
at THE ANNUAL CANDLELIGHT DINNER CONCERT

Artists: Vladislav Gorbich, Victoria Gorbich and Joseph Ross
Saturday, November 22, 2014, 5:00 pm
Nakoma Golf Club
4145 Country Club Rd, Madison
The concert will begin at 7:15
Reservations due no later than November 15th

Dinner will be served beginning at 5:45 pm and will consist of either Herb Crusted Salmon OR Goat Cheese and Spinach Strudel including a Salad, Rolls, Orzo, and Asparagus Bundles along with a Hot Fudge Sundae Dessert, Coffee and Tea. The Bar will be open for those wishing to purchase wine or cocktails.

This event will begin at 5:00 pm for socializing and conversation. The reservations deadline is Saturday, November 15th. Price per person: $40.00. Please return the form on page 11 of this newsletter to: LaVonne Senn, 133 N. Prospect Ave., Madison, 53726 with a check payable to The University League, Inc. Bring a friend or invite a new member to join with us—We look forward to seeing you there!
ABOUT THE ARTISTS AND THE KAT TRIO

The violin/clarinet/piano ensemble from Ekaterinburg, Russia, was formed in May 1998, in Ekaterinburg by three friends, Victoria Gorbich (violin), Vladislav Gorbich (clarinet) and Vasil Galiutin (piano). They had just graduated from the Ural State Music Conservatory. Today, “The Kat Trio” is Victoria, Vladislav and pianist Joseph Ross. Vikki and Vlad are doctoral graduates of Arizona State University. Joseph is a graduate of Lawrence University and the Franz Liszt Academy of Music in Budapest, Hungary. Their concerts showcase unique Russian arrangements and transpositions of timeless melodies and feature classical works, well-known, inspirational songs, and even American pop standards, including Scott Joplin Rags.

Joyful is the word that audiences use to describe the Ekaterinburg Classical Trio’s presentation of these classical, inspirational and pop standards. The Kat Trio loves performing live and has played 800 concerts in more than a decade of touring. They did their first US tour in 2000. When not found in concert venues, college or high school auditoriums, or in classrooms doing Master Classes, the Trio is presenting concerts in churches.

♫♫♫♫

SCHOOL OF NURSING GUIDED TOUR-- Mary Jo Willis, Publicity Committee

The Program Committee invites you to join us on a guided tour of the most innovative and advanced research facilities in nursing across the country. The School of Nursing celebrated its 90th anniversary with the opening of the new School Of Nursing, Signe Skott Cooper Hall, in August. Cooper Hall was funded from a wonderful gift from Signe and her sister Hilde’s estate, along with many gifts from alumni, faculty, friends and state funding.

The tour will be held on Monday, November 10 beginning at 10:45 am followed by a buffet luncheon. The School of Nursing’s Director of Advancement and Development, Coleen Southwell, will conduct our tour for University League members and guests. As many of you know, UL has given general and Endowed Scholarship monies to the School of Nursing annually for many years. University League is listed as one of the major donors on the Wall of Honor in Cooper Hall. Cooper Hall is located across from the UW Hospital and Clinics at 701 Highland Avenue. Parking is available in the UW Hospital ramp and in Lot 76 paid parking ramp adjacent to Neilsen Tennis Stadium. It was cost prohibitive to have a bus so we encourage you to ride share. Members can be dropped off at the bus stop shelter in front of Cooper Hall with a short walk to the entrance. Please note a map of the area that includes the parking ramps and Cooper Hall can be found on the Nursing School’s website. http://son.wisc.edu

The tour will be limited to the first 40 people who return the reservation form. Attendees should know the tour involves long hallways, but there is seating in the classrooms and the atrium.

The cost is $15.00 per person. Make your check payable to University League, Inc. and mail to LaVonne Senn at 133 N. Prospect Avenue, Madison, WI 53726. Contact LaVonne at 233-4241 or email at shumiq@yahoo.com with questions.

We apologize for the inconvenience to the Antiques Interest Group for taking their schedule; however, we had little choice of dates.
This issue of The League-Letter is dedicated to our late editor, Robbie Preston. The following tribute to her was written by Mary Warfield, Bookworms coordinator for the League.

Robbie Preston was my friend. She was also my Wisconsin Bookworms reading partner. For nine years we read to the Head Start preschool children of Sun Prairie, DeForest or East Madison.

The children often greeted us at the door with hugs and happy smiles. Robbie’s soft spoken voice and gentle ways helped calm the children as they gathered for our readings. After the readings and book distributions, we enjoyed helping the kids with activities that related to the books. Robbie always marveled at how 17 children could start out with the same paper, stickers and glue and yet all end up with completely different finished projects.

She and I had great fun preparing for those activities, often cutting out dozens of paper circles, hearts, hands or whatever was required. We would often meet at a craft store to search for just the right stickers or paper for an activity, and Robbie would always end up also browsing through books of knitting projects. Sometimes we met at Robbie’s home to do our planning. While she and I sipped tea, her beloved dog, Scamper would alternate between running to check on us and running outside to wait for the mailman.

During the years we volunteered in DeForest, we drove to the school together. The drive always went quickly because we could spend the time chatting and visiting. When my mother was ill and I was living out of state to care for her, Robbie took care of the readings on her own so I would not worry about them. When my father was dying, she consoled me and again took care of all the readings.

Over those nine years, more than 150 children benefited from Robbie sharing her love of reading, her time, and her creative talents. In September when she realized she would no longer be able to volunteer with Bookworms, she sent me an email in which she described Bookworms as one of the biggest pleasures of her life. She also sent “joyful good wishes” to the volunteer who would replace her. But I know there is no one who can replace my friend, Robbie.

Robbie and Mary with their Bookworms books

Robbie and Mary with their Bookworms books

Robbie hard at work editing!
HARK YE, HARK YE—ANNOUNCEMENTS

2015 SCHOLARSHIP BENEFIT

We want you all to know that the Stay-at-Home Scholarship Benefit Fundraiser invitations will be sent to you in February. This is an exciting event for all of us. As you know, one of the big goals in the University League is supporting scholarships. The students who receive the scholarships are very grateful to us as it eases their financial burdens at the university. We know this by the many thank you letters that they send to us. Our President, Kay Jarvis-Sladky, has already received many of them.

Our gifts are spread over 12 schools and colleges of the UW. Each year, the scholarship aid that we have given has gone up and up and we want to surpass last year’s generous amounts. That is a challenge! SO, please give generously so that we can go way over the goal that we have set in order to help more students. You will hear more about this later!

VOLUNTEER OPPORTUNITY—Emlen O’Keefe

One of University League’s most recent volunteer opportunities, the Veteran’s Hospital, has approximately 700 volunteers. Each volunteer meets with either Bernice Perez-Ruiz or Tim Donovan who try to find the perfect fit for that volunteer. There is a variety of volunteer opportunities; some with patient contact and others not. One volunteer program that has been operating for over 50 years is the “Monday Group.” They meet once a week and place the appointment reminders in envelopes for mailing. I met the ladies on my recent visit to the Veteran’s Hospital. By mid-morning, they had prepared 700 letters for the mail. This year a volunteer who had been volunteering for the hospital since the 1960s retired at the age of 101.

The William S. Middleton Veteran’s Hospital is located by the UW Hospitals complex. To learn more about the Voluntary Service, contact the Service Directors: Bernice Perez-Ruiz or Tim Donovan at 608-280-7030. The VA website is www.madison.va.gov/giving.

INTEREST GROUP UPDATE

International Foods: Lunch—Frances Johnson

The group has changed. Henceforth, we will meet in an ethnic restaurant for lunch each month except for two. On those times we will have an ethnic meal in a member's home with each member contributing a dish.
FROM THE PRESIDENT’S DESK

Autumn Coffee. There is nothing like kicking-off the year to a record crowd with a program that sounds good, tastes good and is good. UW System President Ray Cross came out of the System’s gate with warmth and congeniality. Before breakfast, he worked the Nakoma crowd shaking hands and offering good cheer. In his talk, The University for Wisconsin, Pres. Cross touched on his goals for the UW System, which reinforce and enhance the famous Wisconsin Idea that focuses on how the UW can meet Wisconsin needs. Later, he deftly fielded questions from UL members and guests and lingered afterwards to talk with them.

Honored guests. Though each UL member is worthy of honor, Pres. Cross’ inquiry about our honored guests was an incentive for us to invite Major General Marcia Anderson and Amos Anderson as a salute to Cross’ service in the Viet Nam War; Emeritus Professor of Biochemistry David Nelson and UL member Brook Soltvedt, a nod to a stellar professor who has taken on the new volunteer challenge of a Madison Science Museum; and Erin Thornley and Dane County Executive Joe Parisi, courtesy members of the University League, and Joe is a most personable public servant.

Candlelight Dinner Concert. LaVonne Senn and the entire Program Committee cheered upon hearing that The Kat Trio had their members’ visas extended for two years. On November 22, be prepared for the succulent tastes, gleeful music and a surprise or two.

Scholarships. Last year’s stock market has been good to this year’s UL Endowed Scholarship recipients. We are proud of and thankful for the $101,101 proceeds which are being distributed to UW-Madison students. League members donated an additional $31,700 which were deposited for Memorial and General Scholarships and sent as gifts to 12 Schools and Colleges, Bookworms, and UW related entities. Thank you for your generosity.

New Members Coffee. See complete story and photo on page 8.

Strategic Planning. Boris Frank, one of the local nonprofit experts, spoke at the August Board of Directors meeting which encouraged Long Range Planning Chair Sally Lorenz to move that we have a strategic planning session. The motion passed since the last all-Board strategizing was done in 2006. The BOD made plans for this session to be held the afternoon of the November BOD meeting. Having been a participant in two previous UL Strategic Planning Sessions, Sally Lorenz will lead this session. President Elect Linda Harvey and I are part of the planning.

Publicity Chair Nancy Meyer, Mary Jo Willis and I have worked hard on talking about University League’s contributions to the UW and the Madison community. Nancy interviews scholarship recipients and will continue to share that news in the League-Letter. Bookworms Coordinator Mary Warfield is preparing a feature on Bookworms soon. UL featured WPR ads for the Autumn Coffee and the Candlelight Concert. More chatter resulted when the Badger Herald published an article online and on the newsstands.

Scholarship Benefit Committee creates buzz as we await their secret invitation for the Stay-at-Home Benefit on the front page of the next League-Letter.

Day trips. Epic Tour with High Tea at The Schoolhouse in Paoli Oct. 28 is completely booked, and another tour is planned for May. The Nov. 10 School of Nursing Tour can now accommodate 40 persons. Please send your reservation in soon.

Robbie Preston and Jane Loper. I think of the Spanish lines,” Se hace el camino al andar”* (The path is made by walking.), on the passing of our dear friends. Robbie and Jane, you guided family and friends both spontaneously and intentionally through happy, sad and challenging journeys. Thank you for your guidance. You are missed. *Antonio Machado.

You can see it’s been a busy fall. To this, may I simply add thank you to all who are helping us move forward on our mission while having fun and making friends. Let us continue—Kay

FOCUS ON SCHOLARSHIP RECIPIENTS

Christina Bouril

Christina S. Bouril, a recent graduate of Middleton High School, is one of the 2014-15 recipients of the University League, Inc. Angelena Lenehan Endowed Scholarship.

Ms. Bouril describes herself as independent, curious, focused, compassionate and reliable. Christina loves theater and dance. Her favorite class in high school was Advanced Theater. She was a dancer with the Kehl School of Dance for over 12 years and while she was on their official dance teams, had an opportunity to perform in New York City, Chicago and Walt Disney World in Florida. Christina served as Co-President of the Drama Club at Middleton High School. She is participating in a special A.C.T. (Acting for Classical Theatre) weekend workshop at APT (American Players Theater) in Spring Green. Christina hopes to gain acting training, meet new people and to overall experience artistic discovery. In her spare time, Christina plays the guitar which helps her relieve stress and relax. The act of playing and listening to the chords is soothing. Christina also enjoys creative writing and taking walks in nature.

Christina selected UW-Madison because it is a top university so close to her home. She is exploring a number of options as majors including genetics counseling or child psychology. She is taking a sociology class about human sexuality as well as a genetics/heredity class this semester. A dream job for Christina would involve working with and helping people, whether as a child psychologist, a genetics counselor or a social worker. Christina says that she only feels fulfilled when she is contributing to positive change in other people’s lives.

The Angelena Lenehan Endowed Scholarship has been an immense encouragement and support for Christina as she enters her freshman year. Besides providing financial assistance, this scholarship also gave Christina confidence that sent a message: “If you work hard, persevere, follow your passions and stay on track, you can succeed”. She thinks that this scholarship will perpetuate future opportunities and achievements. Christina thanked University League, Inc. for their generous support. She said, “I am beyond grateful and appreciative.”

Miah Gatzke

Miah Gatzke, a recent graduate of Poynette High School, is a 2014-15 recipient of the University League, Inc. Angelena Lenehan Endowed Scholarship. Miah grew up on a farm near Poynette, Wisconsin which is only about 30 minutes north of Madison. It was owned by her great-grandparents, then her grandparents and then her parents. They called it “Wildberry Farm” with corn mazes and pick your own strawberries. She loved the farm and being around all of her elder family members. Her family sold the farm when Miah was in 3rd or 4th grade.

Miah describes herself as being passionate about helping people. She has explored various careers but seems to have settled on “Community Non-Profit Leadership.” She wants to give people the means to live on their own, educate them to get them a job, and perhaps show them how to grow their own food. All in all, help people towards self-sustainability and earning a →
living wage. The degree prepares graduates for careers in community and nonprofit business settings, enabling them to create, support and learn innovative community-based efforts to support, empower and serve youth, adults and families.

Miah did not have UW-Madison on her personal radar until her senior year. She then realized that UW-Madison is one of the best universities in the world and is right in her own backyard. Miah feels that the school has a great culture and sense of community. Imagine the thrill after her application and acceptance. A dream job for Miah would be in the non-profit sector. She would like a job that helps others, has meaning and would hold some truths for her passion. Miah is looking forward to the future and wherever her UW-Madison education will take her.

The love of traveling has taken Miah to England, Germany and Scotland. She studied abroad in Amman, Jordan between her junior and senior years. She has a special perspective of what is currently happening in the Middle East. “A few bad people do not define a whole region”. Miah said. “All in all, the people of the Middle East are wonderful and kind people. I really had to go and visit this area to find out what was really happening there.”

The Angelena Lenehan Endowed Scholarship has been immense encouragement and support for Miah as she enters her freshman year. She sends a big “Thank You” to the members of University League. All throughout her high school years, Miah worked hard to achieve good grades so that she could earn a scholarship. She now really appreciates this scholarship because all of her hard work has been validated. Miah indicated that without this scholarship, she could not have afforded to come to UW-Madison. She is very appreciative of the financial support.

Kathryn Gagen

Kathryn R. H. Gagen, a recent graduate of Stoughton High School, is the recipient of the Mrs. William F. Allen University League, Inc. Scholarship. Since this is Kathryn’s first semester at UW-Madison, she is very optimistic about starting strong and doing what she has always loves to do—learn.

Her plan of study is Anthropology and Psychology in the College of Letters and Science. Kathryn loves the global diversity of the humanities and the comparison and study of different cultures. She is very excited about UW-Madison, calling it a great school that has provided so many opportunities for her.

Kathryn grew up in Stoughton, which is only about 20 minutes south of Madison. Even in high school, when Kathryn needed inspiration regarding her education, she would spend a few hours studying at the UW-Madison campus. That would inspire her to keep going and helped her tremendously. Kathryn has a twin brother who will also be attending UW-Madison this semester. He plans on majoring in computer science.

Kathryn wants League members to know, “By awarding me this scholarship, I am much better equipped to concentrate on what is important to me and my education and truly get the most from my time here as a student. I am very honored to represent Mrs. Margaret Allen’s mission and hope to flourish at the UW just as she did. The financial generosity from the League and its members has allowed me to be that much closer to my goals. With this inspiration, someday, I will be able to help others just as you do. Thank you again, it really touches my heart to know that such kindness can be shown to strangers.”

Congratulations to Kathryn on this scholarship!

--Nancy Meyer
NEW MEMBER COFFEE AND MEMBERSHIP UPDATE

Nine new members were able to attend the New Member Coffee held at the home of Kay Jarvis-Sladky on Tuesday, September 30. We had the opportunity to learn a little about each new member and some of their reasons for joining University League. Several board members including Joyce Anderson, Interest Group Chair, Emmy O’Keeffe, Asst. Volunteer Chair and Mary Jo Willis, Nominating Chair informed them of the wonderful opportunities they will have in joining University League. Joyce shared tips on Interest Groups while Emmie spoke about volunteering. A collection of treats, coffee, and good company made it a special morning.

The members of the Membership Development Committee, Membership Chair Pat Feltskog, Asst. Membership Chair Lynda Cantrell, Dorothy Binning, Ann Garofalo, Linda Harvey, Kay Jarvis-Sladky and Peggy Bostwick Scarpace shared their experiences in University League and provided wonderful refreshments that were enjoyed by all.

We now have 390 members plus 51 spousal members for a total of 441 members as of October 10, 2014. We would like to welcome new members Linda Auer, Linda Bunger, Lynn Courtenay, Rhonda Danielson, Mina Kato, Rita and Tim Kehl, Susan Keyes, Amy Lewis, Aleta Murray, Karen Peterson, JoAnn Savoy, and Susan Wester.

Getting to know each other: Eve Galanter, Susan Keyes, Mary Jo Willis, and Dorothy Binning.

We are continuing our “Each One Reach One” campaign this year so please send me names of prospective members who would enjoy the opportunity of joining our wonderful organization. I’ll send a “You are Invited” brochure with an application blank.

--Pat Feltskog, 238-9836  pafeltsk@wisc.edu

IN MEMORIAM

In addition to losing our League-Letter editor Robbie Preston, past president, Jane Louise Loper passed away unexpectedly on Tuesday, Sept. 30, 2014, due to heart failure. Jane, a very active member of the Madison community, was a leader of many philanthropic, educational, social, and civic organizations, including University League. She was a very active President of the League during her term in office, 1984-1985. Jane was kind, caring, thoughtful, and generous in all aspects of her life. She will be deeply missed.
When the University League Program Committee invited President Ray Cross to speak at our Fall Coffee in September, we asked him to give us some direction for our involvement in the future of the University. Here are some quotes from that talk that will help us in making sure that we and the university are working together as closely as possible to ensure continuation of Wisconsin’s tradition of excellence in education, training and public service “designed to educate people and improve the human condition.”

• The University League augments those efforts [to improve the human condition] through the scholarships you provide—more than one million dollars’ worth over the past 30 years. You do it through the service projects and awareness-raising that complement the UW’s mission. And you do it in the spirit of community and friendship—the cornerstones of a civil society.

• We share a common passion: to do everything within our power to advance the mission and excellence of the University of Wisconsin... That’s the overarching challenge facing Wisconsin—and the enormous opportunity facing our universities: to channel our collective resources in a way that boosts Wisconsin’s economic fortunes and its quality of life.

• You need to be part of promoting UW’s value and transformative potential.

• In many ways, the University League’s motto of “scholarships, service, education, and friendship” reminds me of the charge the Legislature gave to the UW System when state policymakers created the UW System four decades ago.

• We need your help as vocal advocates.

• And as part of the larger UW community, we need you to help advocate on our behalf with those policy makers, opinion leaders, and other influencers in a position to advance this objective.
